Four Go Flatting

THE HANDBOOK

A working guide that will help you:

- navigate the Individualised Funding System
- create the independent living environment of choice for your whanau/family member

“Four Go Flatting - The Handbook” is based on the experiences of four families who set up a flat for their adult children, all living with an intellectual disability.

It’s a detailed account of the milestones and obstacles they encountered in

their quest to create a vibrant, safe and happy living environment best suited to their whanau/family members.

A working handbook, “Four Go Flatting - The Handbook” is a guide that will provide ideas, suggestions and plenty of practical advice to get you started.
