**Bloom Pukekohe is a Charitable Trust, our purpose is to support and grow the work skills of youth and individuals with intellectual disabilities. We have a range of plants, flower baskets and creative crafts to brighten your home and garden.**

**We are based at 52 Franklin Road, Pukekohe**

Kia ora Bloom whānau and friends,

Our programme is up and running again for 2024 and we are delighted to welcome back our returning participants and excited to welcome in some new ones. We currently have 84 participants enrolled to attend over the course of the week but still have a few spaces available on Wednesdays and Thursdays. If you are interested in enrolling a participant please contact our team to arrange a visit and discuss the available times.

Saane joins the team again this year, after spending quality time with beautiful baby James. She will be working alongside Joanne on Tuesdays and Janet on Thursdays. Melissa is also rejoining the team now that she has completed her studies. She will be back working alongside the participants and Janet on Fridays.

The team have been busy coming up with new craft ideas and have been generously offered access to a laser cutter machine. This is a game changer for our programme as it will allow us to produce items for the markets a little bit quicker and take some of the pressure off our hardworking volunteers who currently prep all of our wooden and horseshoe crafts.

We will be open Monday - Friday 9am - 12pm. Please stop in to say hello, check out our variety of crafts and plants for sale, and of course see the amazing work our participants are doing. If you are looking to enrol a participant, volunteer or donate in some way, we would love to hear from you.
