

## IHC Library Update

### **April is autism acceptance month.**

April is all about autism acceptance and awareness. April 2nd was World autism awareness day.

First held in 1972 by the US Autism Society, Autism Acceptance Month emphasizes the need for public awareness to promote acceptance, celebrate the differences, and be more inclusive towards autistic individuals around us.

“If I could snap my fingers and be nonautistic, I would not. Autism is part of what I am.”
