

Double the impact!

The first \$5,000 raised in December 2024 will be matched

Dear Julia,

Without your support, we can't continue transforming lives like Casey's. Today, we urgently need your help to make sure we can reach even more people who are waiting for their own life-changing partnership.

Today is Giving Tuesday and it's also International Day of Persons with Disabilities, and your donation will go twice as far! For a limited time, every gift will be **matched dollar-for-dollar** up to \$5,000. That means your \$50 gift will become \$100, or your \$100 gift will turn into \$200—**but only if you act now** — this opportunity ends at midnight on December 31!

We need your help today to continue making incredible stories like Casey and Wilma's possible.

Six years ago, Casey's life was turned upside down when a car accident left him paralysed from the chest down. Everything changed again when he met Wilma, a golden Labrador trained by Mobility Dogs. Wilma has done more than assist Casey with daily tasks—she has given him hope, confidence, and a renewed sense of purpose.

"Wilma has impacted my life in only positive ways, giving me purpose, love, joy, and happiness I didn't know existed prior." – Casey

It's only thanks to supporters like you that Casey and Wilma's partnership could become a reality. And with your help, we can ensure more people like Casey experience the freedom and joy that a Mobility Dog can bring.

Donate today to help us unleash hope for even more people waiting for their Mobility Dog. Together, let's raise \$5,000 and unlock the full match!

Your generosity doesn't just fund the training of these amazing dogs—it celebrates the abilities of every person who benefits from them. With your support, we can continue building life-changing partnerships that empower independence and bring light to countless lives.

Thank you for being part of this journey. Together, we can do something extraordinary.

Sincerely,

Jody Wilson
