

Here is a request from Grace Mua from the Community Hub of Roskill South who is keen to contact volunteers who are interested in being part of a "repair café" that would service their local community. Their focus is based on the concept of Repair Renew & Renew.

They are looking for people who can fix:

- Some small electrical appliances (like kettles, toasters, lamps, radios etc.)
- Clothes (patching, hemming, let in or out)
- Being able to diagnose some basic Computer and electronic problems
- General items, including toys, glued, nailed, screwed, stitched or checked for mechanical faults

If you know of any retirees or volunteers that want to help in this way, please contact her directly.

Her details are:- Grace.Mua@psn.org.nz;
