BACK TO SCHOOL SENSORY SUPPLIES

*FIDGETS *SCISSORS * PENCIL GRIPS * CHEWS * POSTURE

LIMITED TIME ONLY!

It's that time of year again—back to school! We know it can be a busy and sometimes overwhelming season, so we're here to help make the sensory and therapy side of things a little simpler for you.

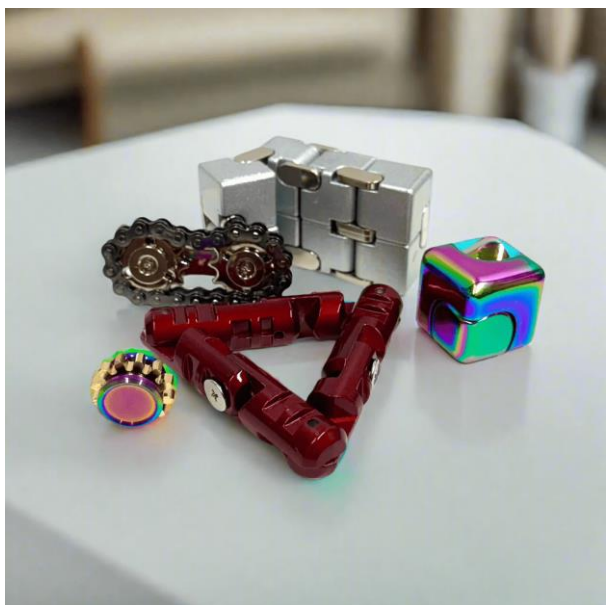

Along with the usual school supplies, you, your child, or your clients might need a few extra tools to help ease the transition and set everyone up for success.

We've listened to your feedback from our [survey](#) (thank you for sharing your thoughts!) and have refreshed some of our Fidget Kits while introducing a few exciting new ones. To make things even better, we're running a special [BUY 2 GET 1 FREE](#) offer on our Back-to-School collection—available for a limited time!

One new addition we're especially excited about is our [Metal Fidget Kit](#). It's perfect for teenagers and adults who prefer something heavier and more tactile. These feel great in the hand, fit easily into a pocket, and can be a great tool to stay calm and focused—whether you're at school, university, or work. We'd love for you to check it out!

If you have any questions or need recommendations, just reach out—we're here to help.

Wishing you a smooth and successful back-to-school season!
