

The StarJar Sprea

Autumn/Winter 2024

It was just really heartening to see the power of music, movement and creative expression to help process emotions. The recent loss of a loved one has been extremely difficult for one Jammer and we could see her working through different emotions and feelings throughout the workshop tonight.

One Good Kiwi - last week to vote for StarJam!!

Get your votes in!

One Good Kiwi is an app from One NZ where you can help us raise money for StarJam! We are one of the charities for the month of May. All you need to do is to vote on the One Good Kiwi App and you will raise money for StarJam!

They have \$100,000 to give away every month to charities around NZ.

What can you do?

Through the app, you are given 10 virtual tokens to give to the charity of your choice, StarJam!

Each token represents a share of the \$100,000. At the end of the month, they will look at the number of tokens that have been given to each charity and provide them with a share of \$100,000 relevant to their share of tokens.

Download [the app](#) on your phone and give your tokens to StarJam! It costs you nothing and means everything to us!
