

WHAT DO YOU WANT TO DO WHEN YOU LEAVE SCHOOL?

Co-designed with young people, for young people.

The Future Ready website will be updated by young people from around the country to ensure the information is continually relevant.

WHAT IS FUTURE READY?

Making decisions about future options can be daunting. The Future Ready website provides support and information to enable you to make choices and plan towards your future.

Future Ready is a one-stop shop website that contains the information you need, including information from organisations and services across New Zealand, along with helpful tips and resources to plan your transition from school to work, tertiary education or training.

You may want your friends, family and educators to take a look too.

THE WEBSITE

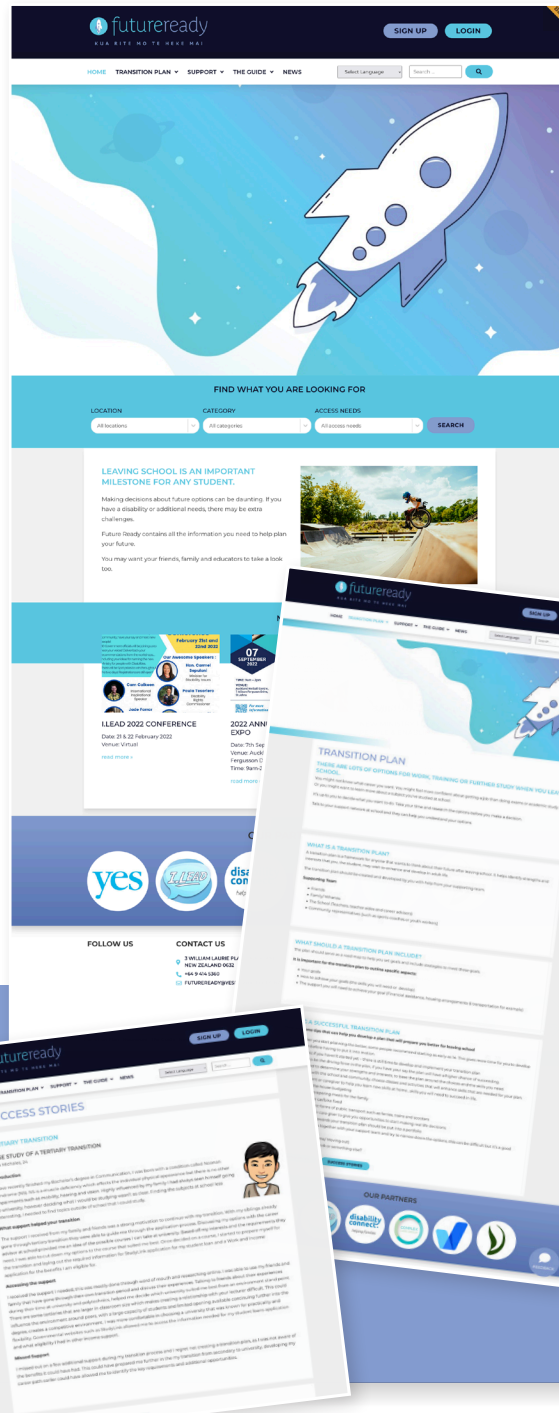

ACCESSIBLE OPTIONS FOR BROWSING:-

At the forefront of our design was ensuring the website was completely accessible. With support from AccessiBe, we were able to do this!

Utilising the AccessiBe tool, you are able to choose the right accessibility profile that works for you.

- ✓ Neurodiversity
- ✓ Learning Disability
- ✓ Hearing
- ✓ Blind/Low Vision
- ✓ Mobility
- ✓ Very High Needs
- ✓ Sensory

PERSONALISED PLANNING:-

Future Ready can support YOU plan YOUR future with:-

- Resources
- Support Tips
- Upcoming Events
- Transition plan templates
- Comprehensive guide of organisations

The website enables you to create your own personalised plan, where you can save listings and information and share with others.
